Henry,

Great, we are working hard to get in touch with Andrew, but he is literally in the Artic Circle, so its very difficult. I will keep you posted. The last piece of this puzzle is getting in the escrow agreement, which I will send it to you as soon as I get it. Thank you for your patience.

Matt:

Mike Sosnowik has formally taken the position as president of Lab123 and stands ready to sign the agreements, whenever appropriate.
